## Our Mission and Work

Founded in 1962, LSNA is a community-based organization advancing diversity, leader development, and models of engagement as the catalyst for social change. We are working to address the root causes of poverty and community instability, which we interpret as lack of affordable housing, inadequate quality education, fear and isolation due to discrimination, and limited access to jobs with growth opportunities.

- We are a multi-issue community organization, serving residents in Logan Square, Hermosa, and Avondale.
- We work in five issue areas, including housing, economic development, education, immigration, and wellness and recreation.
- LSNA currently represents 38 member institutions, including churches, schools, block clubs, multi-unit buildings, and social service agencies.

## Our Recent Achievements

Assisted 70 local businesses to be a welcoming space for all community residents and conducted Know Your Rights trainings for nearly 1,000 people.

LSNA's Parent Mentor Program directly impacts 2,500+ CPS students and is a model used across IL, impacting 20,000+ community school students.

LSNA helped win a community benefit agreement for a new boutique hotel in Logan Square that will create 100 living wage jobs.

## Our Reach

LSNA offers great opportunities to share your business with our community. Opportunities for sponsors include special recognition at events; logo and name placement on event materials (including t-shirts, programs, and signage); and mentions on LSNA's website, social media pages, email blasts, and other online listings.
